Dear sir

Your kind letter
with literature in reply to my request for same rec'd I thank
you very much

I enclose a letter from the Inter Ocean - it explains
itself as editor says. It occurred to me however when I read the letter of
Conflagration Jones in the Weekly Inter Ocean of Sept 12th that the
"pressure on their columns" must be of an unique sort

Please return the letter to me at your convenience

If you have or shall in the future commence
another series of articles will you kindly inform me what
publication they will appear in so that I can obtain them

Respectfully Yours

R. M. Hazard
