My Dear Friend Surge:

I very much regret to note the discontinuance of "A Pyslander's Notes" in the Inter Ocean. A letter of Aug. 31, from our friend Dauber, of Woodstock Ill, and which I inclose, shows the general feeling among the friends of the C. W. League movement. Both parties seem to be given over to the Devil, and what organization save the C. W. L. can we look for a championship of the Right in this great race problem? Has the Inter Ocean too become apostate. Does it think your discussion is a threatening over of old straw? God helps, the history of the great wrongs of nations, if not redressed, ^{show that they} have issue at last in blood. I would strengthen your hand for the work it seems appointed to do.

Yours Always
S. F. Bennett.
