Sept. 25 - '93,

My dear Judge Touger &

I have just received a very handsome volume with your cards in it. I have not had a chance to read it yet of course: but I hope to go to Chicago tonight with my wife, and I shall take it along. I have run my eye over the illustrations, Father and daughter are a good team. The card I received should have been in her name also. I say this because of the merit of her work. We trust you are all well and prosperous. I have been so busy I have had no vacation. With best wishes. Your friend, Adlbert Moot

Hope the work is fully
advertised in Chicago.
