Dear Mr Parker.

I now write to inform you that the two books, "A Fools Brand" and "American Patriotism" have been very thankfully received also several packages of paper. I had never before seen a copy of ~~the~~ "A Fools Brand" and for several years have decided to read it, and I never enjoyed reading a book more. Many others are very anxious to read it. I feel almost tempted to write you a long letter but shall not at present.

Enclosed please find stamps as per your request.

Very sincerely yours

F. C. Peters.
