"Lawless Iowa" Oct 30<sup>th</sup> 1893

Albion W. Tupper

Dear Sir

We know of many  
business men who have stopped  
so suddenly writing for  
"The Inter Ocean", that they may  
be sick or dead for all  
I know, but if you are  
still on top and hammer-  
ing away I should like to  
know where I can find  
some more of the sustan-  
ce. It's the kind of mental  
Pabulum I gather on

Very truly  
Yours

P.S. J. B. Whistler

If you write at all where can  
I get hold of the matter.
