New York, Oct. 4. 1893.

An unusual stress of matters has prevented my answering your letter of 78th although your commissions were promptly attended to.

The editorial copy had already been sent to Lillian Whiting and has been sent to the Patriot of Greenboro also.

How is "Queen of Hearts" coming on? we would like to bring it out this fall if possible but in order to do so must have it very soon now.

Trust you received the circulars of Oct of the Sunset Day? We get up a new one when editorial notices come in.

Truly Yours
