My dear Judge

I am studying you today by mail
Furchus Chicanungo - when you are
entirely through with it please have it
returned to me oblige - I am unable
to put my hand on Bishop's history
of the 7th Wisconsin, which even if
you had it I doubt whether it would
be of any service to you -

Trusting that you reached home
safely & found all well etc

I am

Very sincerely yours
Geo. T. Perkins
