Dear Mr. Emgee

I have rec<sup>d</sup> your kind letter, and also since that the copy of the pretty book from Merrill & Co. have thank. I had already bought it for my boys, and expect to have good times over it myself again. I wish only that it had more of Leif Ericson's drawings which were (or are) printed and illuminative. Pray thank for me both Luther & Mestator. I shall certainly do what I can to extend the book's good name.

I saw it announced in an ad. in the Every Post, wh. led me to buy it. They had quite a little pile of them it

at Baker & Taylor's (jobbers) and  
told me they were doing very  
well with it. May it be a  
'hunting success'!

With congratulations and  
Cordial remembrances to the  
Judge & the Madam, I am,  
as always,

Sincerely yours,

R. Howard
