

49 East St., Valparaiso, Ind 10/19/93.

Mr. Albion W. Bourgeois.

Mayville, New York.

Dear Sir:

Will it be possible for you to lecture to the students of the Normal school in this place under the auspices of the Crescent Literary Society of this institution, between now and Nov. 20, '93?

We have decided to have a lecture course in connection with our ordinary literary work and wish very much to hear you as one of the lecturers. If you can not lecture before Nov. 20, it is possible we could arrange for you early in the year '94 but much prefer to arrange for a date between this and Nov. 20.

Please write our your terms and prospects for granting us our wish.

Very truly yours

Orville Price.
