Hon. Kente Nelson.

Dear Sir: Your letter containing ap-  
pointment as a member of the National Anti-  
Trust Association and also notice  
of meeting of the same on this date,  
is just received. Your letter having  
been directed to Maysoille, instead  
of Mayville has been wandering up and  
down the earth reaching me too late  
for acknowledgement or action  
on my part. I greatly regret this fact  
as I should have been glad to  
have responded to the call in  
person.

Yours very truly  
Albin W. Pomeroy  
Mayville - on Chautauque Co.
