

16 DIVISION STREET
BANGOR MAINE

Nov. 1, 1893.

Dear Mrs. Tourgee.

I thank you for your letter, the book and especially the autographs and will thank you if I can get Rodie's address to beg for the scratch of her pen I know if I write to you I'd be sure to hear promptly. It takes women to do business - tell the Judge I say so.

I have not been able to read the book as I'm waiting for time to read it all at once, which I now hope to do to-day.

I think the Button's Inn scheme is a good one. What will be the price?

No, I got no damages, not even expenses because I had a pass and indirectly work for that Rail road so they all knew me.

I had perfect care at "The Queen's" at eight dollars a day for twelve days - which cost more than the Fair - but I'm alive and well for it. Again thanking you I am very hastily,
Hattie M. Burr
