My Friend & Comrade

Yours. of yesterday
rec^d today. There must
be some misunderstanding
somewhere. I have no
copy of "Adjutant Genl's
report" never had. It
must be some one else
who had it. I have
"Roster of Ohio Soldiers"
and in a "Reunion Report"
"History of the 105th" taken
from "Ohio in the war".
I took the volume con-
-taining the roster of
the 105th when I went to
see you. If that is what

you need I will gladly
forward it to you with any
other material I may
have which you think
you can use. Would
make some for you
if I could. Call on me
for anything you think
I can do to help you
in making it perfect.
If the "Roster" is what you
want send me card by
return mail and I will
send the one Vol. or all,
as you desire. There are
5 Vol. I see I have told
you twice I would send the
Roster - no matter. Glad to
hear you all are well and
prospering. We are happy
The daughters remember
you perfectly. Even Millie

(the little one) takes most
interest in what I read
from your pen, since
she loves you. My sister-
in-law's name is Sanders
I'm ready to help you
in any way I can.

We all unite in
remembering, and wishing
to be remembered by you
and yours.

Truly Yours
L. M. Parker
