

NEW YORK, *twy* 1893

Dear Mr. Towner
The Intellecual
behalf is too late for the
Catalogue page which is
cont. What might be done
with it, however, if you
think it worth while, is to
set it up type in the fashion
(like the Vincent letter herein
in Eastman) or otherwise,
make another page, and
then print some of the cir-
culars for you to use.

Send you a proof
of the Cat. page & hope
it will please you.

Very truly yours,
Wm. Howard Fords
Come to N.Y. Do she know how?
