Dear Judge,

I wish to place a complete set of your works in my library, and recall that at one time you remarked something in reference to an edition which you thought of bringing out, and which impressed me as being the one I would want. Will you have the kindness to give me the name of the publisher of the best edition with a suggestion as to the bindings, etc.

Hoping that you may be enjoying good health and live to write many more books,

I remain

Yours respectfully,

*N. T. Arnold*
