Judge Albin W. Touge
Mayville N.Y.

Dear Sir,-

Your name was this day handed to us by a party here in Chicago with the instructions to send you a line of half tone samples, which we take great pleasure in doing by this mail.

The gentleman informed us you were about to get out some work in which

you would require
 a number of halftone
 cuts, and he knew
 that our work would
 be sure to please you.

We wish to call
 your attention to the
 fact that we make
 a speciality of halftone
 and line zinc work,
 and can guarantee
 our work to be of
 the highest grade
 and quality.

We are doing
 work for parties in
 all parts of the country
 and also foreign countries.

and have no trouble
in pleasing the most
exacting of our customers
and we know we can
please you.

We respectfully
solicit your correspondence
and ask you to state
the nature of the work
you will require, and
we will cheerfully
send you our estimate
on same by return
mail.

You will find by
comparing Chicago
prices with U. Y. prices
there is a great saving
