Mr. Tounge, Albion, N. Y.

Dear Sir,

Hearing that you were very much interested in the cause of the negro I take the very great liberty of writing to you to ask if you might give me a few points on the affirmative side of the question, "Resolved, That the negro has more cause for complaint against his treatment by the white man than has the Indian." This question will be debated by our Y. M. C. A. debating society Saturday evening Nov. 25. I trust you will excuse me for writing to you

of your thoughts upon this  
subject. Hoping to hear  
from you in time for our
