good luck to you.

When you have a journal - use
him the time may come when you
can't. So I wish to ask your advice
I wish to publish a book on re-
gance cost - Alhiser offers to
put it up in 3 m. lots, if I find 200
worth of plates - at a cost of 5'c
Paper bound - but I'd have to put
it on market - but I could
The Arena - will - paper it for 200
for plates - and will put it on the
market - advise it - sell it at 25'c & give
me 50% of sales -

Which is the wise plan for me,
I'm more anxious to have many readers than
much money at high price - The title is -

To God Dead's - Please suggest a good way
for me to pursue.
