Portland Me

23 Nov 1893

My dear Judge:

I have looked over the  
Scheme and it seems a  
good one. The trouble  
with it for me is the  
500\$. Like most every  
one else the cyclone  
has left me with  
more property than

I can take care  
of the kind  
which needs money  
to take care of -  
Had you come to me  
a year ago I could  
have easily taken the  
amount you desire out  
now I can't

Truly Yours
