Dear Sir

If it is not asking too much of a favor will you please tell me why we do not have any more Bystander's Notes in the Saturdays Inter Ocean.

As long as I used to read them I felt as if there was a "God in Israel" now I don't know what to think.

One thing is sure if the people of this

Country have transferred  
their worship from  
Almighty God to the  
almighty dollar in  
the Gash, they are  
reaping the fruits of  
idolatry. I hope we  
shall have the pleasure  
of seeing your articles  
again. They have been  
the source of great  
pleasure to me and  
I think you are the  
only man in this country  
who has the ability to  
get out Grover Cleveland  
in his true colours

Very Respectfully yours  
Herbert M Woodward
