BOARD OF TEACHERS OF

Bethel A. M. E. Sunday School,

SIXTH STREET, BELOW PINE.

Philadelphia,

Nov 27<sup>th</sup> 1893

Judge Albion W. Toungee

Dear Sir -

We are sorry but the meeting we were planning was to be simply a public meeting in which no admission fee was to be charged and the committee while they would hold themselves or were going to raise among themselves \$25- or even \$50.- yet they felt that \$75.- was more than they could manage on their part, if we had had time to consult other friends it might easily enough be done. We are sorry if we have inconvenienced you.

At some future date when we have sufficient time to work up a public meeting we should be delighted, and we know edified to hear you.

Yours Truly W. D. Cook

We are sorry to have to this indefinitely postpone this matter but it cannot be helped. H. O. Jaunes
