Dr Madam. Your postal of the 2^d was recd some time ago but we have been so busy that we were not able to attend to it before. Now our books do not show that this ac has ever been paid and if you have any data which you can give us as to when show it was paid we shall be greatly obliged. We try to keep our books correct but errors will creep in occasionally.

You made this order on the 6th of June and on the 9th you ordered a package of Bush Lima Beans enclosing 30¢ in stamps and this is the last that we can find from you. and we naturally wish to know where our error was made and if you can help us out we shall appreciate it.

Awaiting your further kind commands which shall always have our best attention we are

Yours very truly
