Albion. W. Tourge  
Mayville N. Y.

Dear Sir

I am still unable to leave my room, consequently do but little in the interest of the proposed newspaper, and have heard nothing, since my last, from those who promised to help add to the subscription list. I make some effort through the Post Office, and as one result send the name of Hon. John C. Spooner - Madison Wis - Hoping others have sent their names about.

Yours Sincerely

Chas. H. Williams
