

Dear friend
New York, N.Y. Dec 24 '53

I received your letter of the 10th and was glad to hear from you. I am well and hope you are the same. I would like to see you in person but I cannot do so at present. I have expressed a wish to have it but it attended the world. You said I thought you would not do so much for Christmas is usual but I must have this as a souvenir. I am all yours and I shall write to you all well and hope
