

Union City Dec 26 - 93

Hon. M. P. P. P.

Dear sir find enclosed  
\$14.07 for the grapes

I have been to town and  
the merchants tell me the  
grapes were not right -

when they first came  
some were a total loss, I  
got all the sold for  
commission & all were only

\$9.14 I had 12 baskets  
at my house allowed you  
17¢ for them less 2¢ = \$2.04

making in all \$11.14 - difference  
in \$11.14 & \$17 = \$5.86 ÷ 2 = \$2.93

I loose \$2.93 besides paying  
17¢ for 12 baskets grapes with 10¢  
a basket

Yours truly  
(over) Andrew Young

if I can be of service  
to you another year I will  
be glad to ~~but~~ I have  
learned that grapes will  
not sell out of season  
unless they are  
at no 1 y
