

family - nearly as
clannish and untrus-
tly admiring as we.

You would all like
them and I think will
be glad to know them
as I hope you will. They
are very plain and homelike.

I - well I got here at
12 oc. yesterday. No
special rates. Albany to
Ph Kent and return \$8.84.
Sleep well on the train
and had a plane -

and day and evening
but look right first
for it - in hours.

You can look for me
on Sunday.

Love to all

Albin
