

Steel Department.

Wilmot Hobbie Co -

Gentlemen: I am impressed with the idea that in my letter of yesterday the length of the strips ordered was stated ~~as~~ as "Sixty-one, inches!"

I meant "One hundred and sixty-one inches."

There are two of these strips in my previous order and wish four more added to it, that is, I want -

Six strips, each 161 inches long, $2\frac{1}{4}$ inches wide and .032" thick.

Yours faithfully
Wm. Hobbie
