I have read the book and  
I find it somewhat impos-  
sible for me to promise  
you the same as I speak  
of by Mr. W. for someone  
may suggest it for the  
reason that that fine  
- you can easily see  
that we are bound of  
that we must take  
advantage of it -  
The nation is probably  
the same as

to the part of the home  
vacant. We found
