

# THE NATIONAL BANK OF WESTFIELD,

Westfield, P. V., Apr 24 1894

Dear Mr Tourger

Your of 14 inst was recd by me in Boston where I have been during the past two weeks & I have had no opportunity to reply until now: the \$25<sup>00</sup> enclosed for interest on the McKenzie Bond has been endorsed & I return Mr Minton letter relation to the Bond held by the Mayville bank: I feel some hesitation in making any suggestion relation to this matter because I have sold my interest in the business of Skinner M. & Co to Mr Minton: for that reason I cannot answer your inquiry as to how much money it would take to cancel the debt. I have no doubt but that you could reach some satisfactory arrangement with him by a personal interview & suggest that you see him & state to him as fully as you have to me, the situation. I am ever he done

not intend to be unreasonable nor to ask  
impossibilities.

I saw a notice in the Boston paper of  
the lecture I gave there by the Judge &  
hoped ~~from~~ that he was much better.

Very truly
