Rouses Point, N. Y., April 24, 1894

Judge A. W. Lorange
Mayville, N. Y.

Dear Sir:- We send you under separate cover proofs of 50 pages of "An Outing with the Queen of Hearts." As we have received no definite instructions how to place the illustrations or whether you desire head lines on the pages, we have just placed the illustrations so that you can mark how you wish them to go.

Yours respectfully
Phillips & Casey
