Mr. Tougee,

Dear Sir,

Got excellent Photo. rec'd. Many  
many thanks. It was a thoughtful  
& kindly act. We almost felt like  
discontinuing the Intu Ocean after  
the Bystander's notes ceased, but feel  
quite reconciled since Siva's letters  
appeared. How can our Nation endure  
almost three years more of such id-  
iotic or criminal misrule as the  
present, but we cannot <sup>see</sup> why an  
income tax would be any injustice  
to the rich & it would surely help  
the poor. We are hoping you will  
be sent to Congress. And the  
Colored man must "bide his time"

With profound respect-

Wm. E. J. Partridge
