My dear Sir

I am in receipt of your letter of the 3rd inst. in relation to the matter of your being admitted to the Michigan Co. membership. I have read the documents they had most readily approved of your annual position. I hope your nomination and election will in due time come, and should the N. Y. of the 5th Congress have a Republican majority, you will be especially needed at Washington.

I have written you my personal views like Crockett's case that you & I have in great measure you, saw and perhaps advised a note and little book in the hope that it can be of some use in the Congressional Campaigns to be entered upon. I have cut a copy of it for each of the Chairmen of the Republican State Central Committees of the Eastern States. I have likewise advised them of the terms upon which the book can be had, and if any copies be desired New York alone, I should say, I have re-

after for the present, as I prefer writing
to the Chairman of our own State Com-
tee a little later on.

Expressing my gratification at having
seen you, I beg leave to subscribe myself
Very sincerely yours,

W. H. Bishop.
