Miss Aimee Tourgee,

Mayville, New York.

Dear Miss Tourgee, -

Yours of the 4th of May just at hand. As we have not seen the proofs of the pages containing the stars, we are unable to form an opinion. If you and your father are unable to decide unanimously, we would be very glad to act as referee, if you will send a few specimens to judge by. When you are through placing all the pictures, we expect to have complete page proofs to look over for typographical errors and style. Any time you send us a sample page, we would be very glad to give our opinion.

Yours very truly,

Merrill & Baker,
