Dear Judge Tounge:

To your address I say - Amen!
They are mainly, telling & fearful.

My father was so long and so
prominently connected with the
Anti Slavery movement that I
think you may care to read a
paper which my sister prepared
& read before the Wyoming Co. Historical
Society last month. My father
left the Whig party to join the
disfaced Nigger party. I became
an Abolitionist early in life

Love of Liberty and hatred
of Oppression were injected, with

me, from my father's loins & rec^d
upon the Free Soil of my mother's
womb. During all the nine
months that I held the subordinate
position of manikin I was
diligently absorbing from my dam
the religion that all men are
created free & equal. Which
my parents milk I drew in
the heat of Slavery. Which
my alphabet I learned to love
Free Speech and with my early
manhood I strove for Free
men. That's the sort of a
hair-pin I was & that's the
sort of a raw-horse I run on.
Which is why I remark - Amen!

Dr. O. Paulson once said to my sister when told that
she was born - "Arcade!" all I ever knew about
that place was "C. O. Shepard
& niggers"
