Dear Sir

I send you by this mail
 the last issue of the Christian
 Register - Boston mass May 10 / 94
 Containing an editorial on Lynch-
 ing and the negro question - Letters
 from Gov. Arthur of Georgia and
 from the Mayor of some South
 ern City - Much of which, from
 my stand point, seems to need atten-
 tion and judicious criticism from
 one nady as yours - all in such matters

I rejoice to see A. D. Pender's "Notes" appear
 in the Inter Ocean - My Decker brother W.
 Penn. Aron has my thanks -
 Yours Sincerely
 Chas. H. Williams
