Judge Albion W.

Douglas Mayville N. Y.

Dear Sir is there a

place in Mayville or in
New York that you know
of where a balanced person
can get in to learn the
bakers and Confectionery
trade or do you know of
a good pastry cook
that one should stand
a chance to get with
if you know any such
a place or person you
will oblige me very much
if you will please
send me the name

and number. I have been
in the employment of
of the Belmont County
children home for over
11 years and I should
like to get into business
myself but I should
like to have a better
knowledge in that
line of work. then I
can get in Barnesville
hoping to hear from
you soon I remain
yours respectfully
E. J. O'Harra
