

Co G. 49th Ill.

Aug 15th 94

My Dear Madam.

I regret to say
that we were forced
out on Tuesday the
9th when we &
no stock. I am
not quite sure what
shall do. But should
I take another horse
I should be pleased to
to have you, and

Will let you know
just as soon as it
is decided, it was
my friend of Miss
Wotell so I remember
me. Now should you
come to my house.
shall do all in my
power to make you
comfortable! This
was my first attempt
and all my guests
were very nice, &

Must be pleased. It was
a little short however to
the other way. Well I
suppose perhaps it is
from my
Mrs. A. B. C.
