My dear Judge,

I was informed last evening that you were to be here this week. I shall be most happy to meet you again. I wish to introduce you to Nathaniel Tom Hudrick, a Priest & one of our kind of good American Citizens a very bright & very widely known gentleman.

If you will take my advice in the matter & intend stopping at any Hotel. Come here. I have stopped at the "Powers House" at 14.00 per day place here for ten days & have been at this house @ 2.00

per day for same length
of time & give preference
by far to this house.

Of course there is not
quite the elegance here
as at the Powers, but
the table and attention
at it is superior to it.

My wife is with me
& I hope to remain here
for a week longer at
least. My respects to
your good & talented wife
faithfully
