

POSTAL CARD ONE CENT

United States of America

THIS SIDE IS FOR THE ADDRESS ONLY.

Hon. Albion W. Tourgée,
Mayville,
New York.

My dear Sir:

39 Court St., Boston,
May 22, 1894.

I fear I shall have to disappoint
you in the matter of the circular
sent in one of your early letters that
as well as the "cut" was left with the
editor of The Courant, when making
up his first news item. Likely he has
destroyed it not expecting to be called
on for it should I be fortunate en-
ough to find it however I will forward
it at once. Very truly yours,
C. Morgan.
