My dear Judge Tammie

We have moved safely & have
land away in the safe deposit vaults
of our museum the construction of a
most delightful 45 acres.

Mr. Box will set aside next
Monday or Tuesday - as you like -
for the inspection of the work
from. She wishes to have an
expert who is "safe as a clock"
(however safe that is)

Please lay out the programme
& advise me at once as convenient
as Box is a busy man & must

make engagements ahead

I would suggest Monday, for
if that day is blowing we can
arrange for Tuesday, by telegraph.
