Mayville N.Y.

Dear madam

Some time in April last I sent you a statement of your account and you replied by saying that you had just paid a large Insurance premium and that it would be impossible for you to pay me any at that time. But I never was in more need of money since I began business as I am at the present time, and if you will please be strict and remit as much as you can at once you will do me a great favor

Yours truly
M. J. Carlson.
