The Cosmopolitan Magazine,
Editorial Department.

My dear Judge Searge

My thought was to begin
"The Story of a Thousand" in the
Sept. number. It is difficult to
speak with absolute certainty.

We ought to have the MS in
hand at least ten weeks before
the first of the month of each
instalment, in case of neces-
sity. Will it suit your
convenience for to begin in
September?

Yours sincerely

Arthur Sherburne Hardy

Judge Albert W. Searge.
