CHAUTAUQUA ASSEMBLY.

REV. A. O. EBRIGHT, Superintendent.

Winfield, Kansas, June 7 1896

Albion W. Douger:

My dear Sir:

We shall be very sorry if physical disability prevents your attendance at our assembly. I send you a copy of our Herald for May. I have written the Star Bureau to see if there is anyone they can give us in your place. But we don't wish anyone else we want you. We will go to press with the June Herald the 10th inst. If you will wire me the night of the 9th just what the prospect is, I will know just what announcement to make.

Hoping that this will find you on the way to a speedy recovery I am

Yours Very Truly
Quincy A. Glass.
