Miss Aimee Tourgee,

Mayville, New York.

Dear Miss Tourgee, - Yours of June 5th regarding the substitution of the dash for the stars is at hand. We understood you preferred the blank space and we agreed with you, so that the first forty pages have already been cast that way and it is now too late to change. We regret that we should have misunderstood you but as far as we are concerned, we prefer it as it is.

Yours very truly,

Merrill & Baker,
