Harrison June 12-

Dear General and Miss Kildorn

I suppose Miss K.

is with you now so I will
write the two letters for
both. We had over oneline of medicine and for the
first time over for a week
and for the first time received.There will be an address
of Dr. Cassin by Miss Kildorn
Wednesday at Mrs. Sawyer's.We are to have a memo-
rial service conducted by
Miss Kildorn. There has
been news of our presence
- taken since our first resurrexion
Mrs. Mattie Crowther with the Matt
Mrs. Nellie Botford Mason and

Miss Sophia Will.

We thought Mrs Magpie
Hend Cunningham of
Buffalo would prefer a
paper or sketch of the life
of Mrs Heath. She was
in school at the same time
and both lived in Buffalo.

Mrs Eddy would know
and do nicely for Mrs Mason
and Mrs Mary Jennings
of Warsaw knew Miss Will
and was in school with.
We can send them any
the names we put down
for the memorial service.
Mrs Eddy's address is South
Hates.

Now please don't disappoint
us.

Yours in haste
Frank Bennett
