Dear Mrs. Touge

May I trouble you
for some information
regarding the Chatauqua
summer school, or kindly
send me the address.
I come on behalf of
Minnie Mac Mahon
who has recently lost
her father, Colonel
died a little more than
a month ago. - Minnie

is offered a position in
a school, and is anxious
to make some study
preparation particular-
ly in the study of
methods and I think
English literature,
during the summer.
Chateaugua is par-
ticularly recommended.
What do you think of
the summer school
for a specialty? and
are there special rates
for travel to Chateaugua
and for board while there?

Winnie asks me for information
and I fly to you as being the one
most-reliable to help us into the
right-way, feeling that you will
not find us obtuse in making this
demand upon your time and pa-
-tience. Hoping you are all well. I am

Very cordially Yours

Anna V. Mac Mahon

Winnie's address is
212 South Third Street
Richmond, Va.
where the family have been living
for the last few years.
