Lakewood N.Y. June 13/98

My dear Judge:

I thank you for your kind letter and your note of yesterday. The former is full of material for thought and for many a talk - the kind invitation of the latter is a temptation that we shall not try to resist.

If possible Mrs. Sumner will be with me and should the day be fairly good we to wether we will be in Mayola about Tuesday next unless we learn that you are de-tained in your southern visit.

An old family hanging gown in the village claims my attention.

Sincerely
E. J. Sumner.
