Mrs. Albion W. Tourgee,

Mayville, N. Y.

Dear Madam:-

Yours of May 10th, 1894, was received some time since. It does not seem to us right that our bill rendered you several times should not be paid, as it is entirely for cash paid out by us ~~for you~~ in your behalf. We have not included in the statement anything for services, which charged at our usual rates, would be at least \$500.00, but we have conducted this matter with no compensation and have paid out this amount of money.

It would seem to me very fit and proper that some efforts should be made to return this amount of money to us, so that we might at least be whole from the cash standpoint.

So far as services are concerned, we are willing to let them rest, trusting to your compensating us when you can do so.

Yours very respectfully,

Geo. L. Lewis-
