

My Dear Mrs. Gougee,

Thank you very much for your letter of June 8th; and for the hopes it awakened. I have written to Hon. G. C. Platt of New York, making our request, basing it on the fact that I remembered he had once franked a box for you, &c., and I hope he may help us.

If you see The Indian's Friend, and I think you do, you will have rejoiced with us over the growth of that dear Greenville School which has had so interesting a story. It-

is a constant joy to my heart,
 and I am appealing for it con-
 -stantly, and in many places.
 We need help now to provide an
 assistant seamstress one week in
 every month for dear Mrs. Aunt-
 whose hands are so very full,
 and I cannot help wishing
 that a few ladies, if only a half-
 dozen, of your town would regard
 themselves as a Committee to
 help, if ever but a little.

Trusting that you and your
 family are in health, believe me
 Yours most truly
 Amelia S. Weston.
