Mrs. Emma K. Tourgee,

Dear Mrs. Tourgee:-

Yours of the 21st inst received with check \$75 to pay interest on the McKenzie mortgage. This pays the interest to April 16th instead of May 16th. The last remittance received from you, \$25, was April 21st, which was interest to Jan. 16th. Please let me know if there has been any other remittance, or if I am wrong in my account.

Your letter of the 2d was received just as I was leaving home to attend the session of the Supreme Council at Detroit, and since my return I have had no opportunity to reply, and fear now I shall be unable to do so because I am obliged to leave on Monday to be absent some time. I hope the Judge is better than when you wrote the first of the month.

Sincerely yours,
