My dear Mrs. G. I

will get it safely. I
I hope you will
the judge that
they have not

I asked him to send
the P.O. for the
\$5.25 airmail letter
As I was all excited
and could not wait
just to see you I
would be able to
write. Please let
your daughter

that I am sincerely delighted with
delight over your "Butterfly"
and when I see her I will more
fully express my appreciation
of your very clever work. I am
very glad for the little picture

it may have some to be done.
We expect to be in St. Louis all
summer with good messages
to all your friends.
Very sincerely yours
